

REDISCOVER ACCENT LIGHTING

TABLE TOP LIGHTING

**REDISCOVER ACCENT LIGHTING
AND SET YOURSELF APART.**

Besides great food and service, restaurants that people love and return to share one important element – a *unique personality*. It is what sets you apart from other restaurants and can leave an enduring impression with your guests.

As a restaurateur you create your restaurant's personality. From the menu font, to the furniture, to the lighting and décor, your design choices build voice and tone. Ambience originates from more than a flickering candle; it evolves from a clear vision, an eye for detail, and a desire for harmony among all the design elements.

Table top design is fundamental to a restaurant's personality and is essential to your guests' dining experience. With that in mind, we invite you to rediscover Table Top Accent Lighting by exploring our new Design Collections.

Each collection is inspired by the latest, most popular restaurant industry design trends and is organized to help you more quickly and efficiently select Table Top Lighting products that best fit your restaurant and style.

IT'S OK TO MIX AND MATCH.

The most dynamic and personal restaurants are created from embracing aspects of different trends, cultures and philosophies so don't feel confined to one collection. Each collection features a variety of sizes and styles including Tealights and Votives, Hurricanes and Cocktails, Shades and Candlesticks.

**BRING YOUR INDOOR AND OUTDOOR
AMBIENCE TO LIFE.**

We offer Traditional Wax, Liquid Wax and Flameless Candles to give you endless possibilities and provide you with the flexibility you need to create inviting, original and memorable ambience. All of our products are compatible with our SoftLight® Liquid Wax and Rechargeable Flameless Candles. For your convenience we have highlighted products that are ideal for outdoor use.
