*Elegance Is Never  
Out Of Style*

**For A Show Stopping Presentation**  
Our Ice Trays Are Reinforced To Hold  
Ice Sculptures

**Fashion-forward and Sophisticated**  
- Perfect For Any Venue -

*Break Away From* **The Ordinary**

## STUNNING . . . CAPTIVATING . . . ELEGANT

The edges of the SC006 Ice Chest are dichroic glass - micro layers of metals fused during the kilning process to create a crystalline structure on the glass edges that reflect light of one color and transmit light of other colors.

Colors and reflections shift as they catch the light from different angles adding depth and dimension.

**Sizes Available:**

**SC 006-301812-1:** 30L x 18W x 12"H

**SC 006-4218121-:** 42L x 18W x 12"H
