

## Sleek and Durable Built-in Food Warmer

The Vianni Heated Black Glass Shelves are designed to hold and display hot food products safely at the proper serving temperature while preserving quality. The Black Glass is designed and produced by SCHOTT, a 125 year old German company and global leader in glass technology and innovation.

The approved food safe material was selected for durability and maximum performance while giving a sophisticated look to fit many settings. These Built-in Heated Shelves maintain a uniform surface heat ranging from 100°-248°F (38°-120°C) and are ideal for buffet lines, pass-through areas and hors d'oeuvres display.

### Versatility

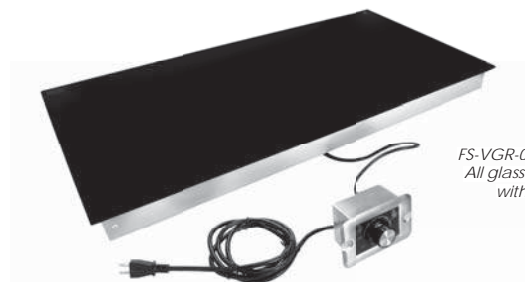

- Available in built-in or portable models
- Recessed top for easy cleaning and stunning appearance
- Available with an attractive stainless steel trim or all glass surface without the trim
- Made of approved food safe materials allowing placement of food directly on the glass surface

*FS-VGSR-09120-50  
Includes stainless steel trim*

### Features

- Thermostatically-controlled heated base to help hold food hot (Heated Shelves are for pre-heated food only.)
- Unique, low energy heating element enclosed with aluminum, directs heat to black glass for fast and efficient energy transfer toward food
- German made E.G.O. temperature controller
- Equipped with a remote-mounted control box that attaches to the unit with a 6' flexible conduit and cord
- Lighted on/off power light and 6' power cord and plug

*FS-VGR-09120-50  
All glass surface without trim*

### Limited Warranty

Vianni food warming equipment is backed by a 2-year parts warranty against manufacturer workmanship or material defects.

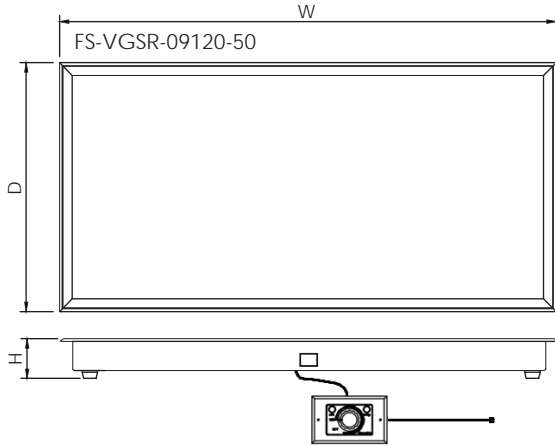

*FS-VGSR-09120-50*

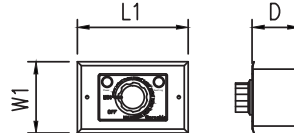

# Built-in Heated Black Glass Shelf

Model Series FS-VGSR-50 and FS-VGR-50

### Control Box

The unit is equipped with a remote-mounted control box that is attached with a 6' (1829 mm) conduit with cord.

### Control Box Dimensions

Length ( <i>L1</i> )	5 1/2" (140 mm)
Width ( <i>W1</i> )	3 9/16" (90 mm)
Depth ( <i>D</i> )	2 3/8" (60 mm)

### Cutout Size:

4 1/16" L x 2 15/16" W x 2 3/4" D  
(103 x 75 x 70 mm)

### Built-in Heated Shelf with recessed top (includes stainless steel trim)
